Easy to access from smartphone and tablet device from anywhere, anytime

■ Easy setup

Setting up the CloudStation is super easy and takes only about 60 seconds. Go to http://cloudstation.pogoplug.com with your smartphone or computer, and click "Set up your CloudStation," and follow the step-by-step instructions to complete the setup. Now your CloudStation is ready to access through the cloud.
(60 seconds is the average time from after LinkStation's boot up to complete setup.)

Setting up the CloudStation takes only about **60 seconds!**
